Subject: Cleanup the Willamette, protect our jobs

Portland's blue-collar harbor jobs will suffer if the cleanup plan is too expensive.

I want to see the EPA support a clean river. But I also want to see the EPA support a strong Portland economy. A strong economy relies heavily on the blue-collar jobs that exist on the Willamette River.

Thanks for all you're doing to protect our river. It means a lot to people who live, work and play there.

Sincerely,
